☹ Dessverre forsvinner mange filer fra webservere hvert år. Det var vel ca 40 linker jeg måtte ta bort sist helg da jeg fikk softwaren XENU til å gå over webhotellet www.honda-v4.com Likevel er dette kun en veldig liten del av totalt antall linker.

Og her er delekatalogen til VF750R, den har det tatt noen år å få tak i... 😊
 Takk til Peter i NL. Mer en kuriositet dette...
 Og delene tar det nok ennå lenger tid med... hehe
 Men en kuriositet er det jo 😊
